PRIMACOVER®

Duct Tape

PrimaCover Duct Tape

PrimaCover Duct Tape is a highly versatile, high-quality tape designed specifically for the building industry. Thanks to its strong adhesive strength, the tape easily adheres to a variety of substrates, such as rough surfaces, brickwork and stone, as well as PrimaCover Defend felt floor covering.

The tape is easy to tear by hand, which ensures fast and efficient working without additional tools. In addition, PrimaCover Duct Tape is completely waterproof, making it suitable for use in both dry and humid environments.

Properties:

- ✔ High adhesive strength
- ✔ Also suitable for rough surfaces (brickwork, stone, felt etc.)
- ✔ Water-repellent top layer
- ✔ Easy to tear
- ✔ Dimensions: 48mm x 50m
- ✔ Available per piece and per box (96 pcs)

#900769 PrimaCover, Duct Tape, grey
