PrimaCover Duct Tape

Duct tape for the building industry

PrimaCover Duct Tape is a highly versatile, high-quality tape designed specifically for the building industry. Thanks to its strong adhesive strength, the tape easily adheres to a variety of substrates, such as rough surfaces, brickwork and stone, as well as PrimaCover Defend felt floor covering.

Technical data

Properties	Value
Material carrier	LDPE film
Material adhesive layer	hotmelt-synthetic/resin
Colour	grey
Tensile strength	15N/25mm
Thickness	0,15 mm
Minimal temparature resistence (°C)	0
Maximum temparture resistence (°C)	+80
Maximum shelf life	2 years after delivery

Dimensions

Itemcode	Length	Width
900769	50 m	48 mm

Remarks

Proper and successful use of the product is beyond our control. Therefore, a warranty can only be given for the quality of the product itself, not for its application. It is the user's responsibility to determine the suitability of our products for their intended purpose. Preliminary testing is recommended.

The above values are guideline values, obtained in our own/external laboratories. Minor deviations may occur due to slight variations in testing equipment. Changes without prior notice reserved.
