Nonwoven covering for interior objects

PrimaCover Interior protects interior objects against damage during transport and assembly. It is the ideal covering material for furniture, kitchen units, cupboards, counters and sanitary facilities. It can also be used on panels, floors and stairs during finishing, painting, installation and project design.

PrimaCover Interior is suitable for practically all thoroughly dried hard surfaces, such as wood, HPL, plastic, metal, marble and ceramics. This double-layered self-adhesive covering material consists of a strong, liquid proof film with a nonwoven shock-absorbing anti-slip absorbent polyester top layer.

Application:

- For all completely dry hard surfaces
- Suitable for horizontal and vertical surfaces
- Also suitable for floors and stairs

Properties:

- ✓ Self-adhesive
- ✓ Easy to use
- ✓ Liquid proof
- ✓ Absorbent
- ✓ Protects against mechanical damage
- ✓ Sizes:
1m x 25m

Install on clean, thoroughly dried and grease-free surfaces.
Test the suitability of the product in advance. Switch off floor heating before use.
