PRIMACOVER®

Combi

Absorbent spunbonded fabric

If you want the advantages of both painter's fleece and floor protection, choose PrimaCover Combi. This absorbent protection fleece can be used like a cardboard floor covering, but is much lighter in weight. This fleece is also liquid-proof thanks to the strong foil on its underside. PrimaCover Combi can be used in many ways, including for construction, renovation and painting work. Also suitable as floor protection in industry, in production areas and in spray booths.
