## Film Dispenser

### PrimaCover Film Dispenser

With the PrimaCover Film Dispenser, applying protective film to floors and stairs is faster, easier and more comfortable than ever before. This handy tool has been specially developed for the efficient application of PrimaCover Carpet and Hardfloor film. No more hassle with rolls and tiring working positions.

Whether you are covering a staircase or protecting a large floor area, this handy tool allows you to apply the film quickly, smoothly and accurately. Exactly the way you want it.

Thanks to the ergonomic design, you not only work more neatly, but also faster. What's more, you reduce the risk of physical complaints. The PrimaCover Film Dispenser offers optimal control and grip, for a tight end result with a firmly applied protective layer.
