PrimaCover Removable Tape

PrimaCover Removable Tape is a strong PVC tape designed for temporarily joining and securing protection materials during construction, renovation and painting projects.

Thanks to its specially formulated adhesive strength, it stays securely in place, yet can be easily removed after use without leaving any residue. Maximum usage time: 6 weeks!

Properties:

- ✔ Strong PVC tape
- ✔ Easy to remove without residue
- ✔ Wear and tear-resistant
- ✔ Suitable for indoor and outdoor use
- ✔ Usable for up to 6 weeks
- ✔ Dimensions: 50 mm x 33 m

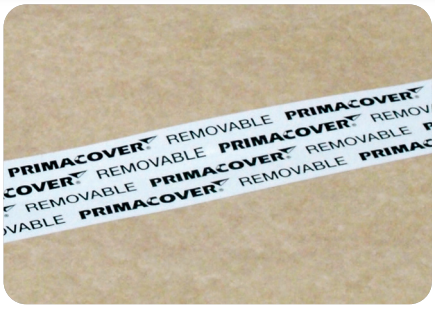

Important!

Not suitable for PVC, porous natural stone such as marble, terracotta and other delicate stone surfaces.

Test suitability of the tape in advance!
