Technical data

Properties	Value
Material	plastic
Cutting depth	4 mm
Colour	magenta
Gross weight	36 gr
Net weight	36 gr
Unit packaging	piece

Dimensions

Art. Nr.: 900280 153 x 12 x 50 mm (L x B X H)

Remarks

PrimaCover Cutter is sharp. Replace the cutting blade regularly to ensure optimal cutting performance.

Proper and successful use of the product is beyond our control. Therefore, a warranty can only be given for the quality of the product itself, not for its application. It is the user's responsibility to determine the suitability of our products for their intended purpose. Preliminary testing is recommended.

The above values are guideline values, obtained in our own/external laboratories. Minor deviations may occur due to slight variations in testing equipment. Changes without prior notice reserved.
