PrimaCover Removable Tape

Strong, easy to remove PVC tape

PrimaCover Removable Tape is a strong PVC tape designed for temporarily joining and securing surface protection materials during construction, renovation and painting projects. Thanks to its natural rubber adhesive, this tape provides reliable adhesion and can be easily removed after use without leaving any adhesive residue.
Maximum usage duration of 6 weeks, indoors and outdoors!

Technical data

Properties	Value
Material carrier	PVC
Material adhesive layer	Natural rubber
Colour	white
Tensile strength	19,4 N/10 mm
Thickness	0,15 mm
Adhesive strength steel	1,4 N/ 10 mm
Elongation at break	180 %
Maximun usage indoor and outdoor	6 weeks

Important

Not suitable for PVC, porous natural stone such as marble, terracotta and other delicate stone surfaces.

Dimensions

Itemcode	Length	Width
900983	33 m	50 mm

Remarks

Proper and successful use of the product is beyond our control. Therefore, a warranty can only be given for the quality of the product itself, not for its application. It is the user's responsibility to determine the suitability of our products for their intended purpose. Preliminary testing is recommended.

The above values are guideline values, obtained in our own/external laboratories. Minor deviations may occur due to slight variations in testing equipment. Changes without prior notice reserved.
