

PrimaCover Zipper

Self-adhesive zipper

Enables the fast provision of an access to your dust protection system. High quality, ideally suitable for longer periods of use. One zipper is sufficient for normal access. For an extra wide inlet, stick a second one onto the film at the desired distance. Stick on – cut open – finished!

Technical data (*)

Self-adhesive

2 each

Composition

Zipper	Polyester fabric
Carrier	Siliconised paper
Adhesive	Natural/Synthetic rubber

Technical data

Length	213 cm
Width	76 mm
Colour	Blue

Characteristics

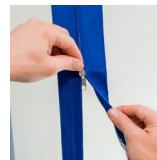

- Excellent adhesion
- Extra wide gluing zone
- High quality
- Good sliding behaviour

Application

For gluing on and cutting open
Suitable for all dust protection films

Processing

Place the film on an even surface
Adhere the zipper in the desired position and press on
Cut the film open through the opened zipper
2 zippers in parallel for a wide entrance

Comments

Can be opened from both sides
Can also be sewn on
The adhesion areas must be clean, dry, free from release agents and have sufficient load-bearing capacity
